CREST EZ-WARE
LESS IS BETTER

SIX FUN FACTS!

1. Most pre-packed drawer assortments contain more than 40% obsolete hardware.
2. Once a company builds a pre-packed drawer assortment, it's too expensive to unpack it, modernize it and reintroduce it for sale.
3. Why do we leave 20% (32 out of 192) of our drawer bins empty? Because new fasteners will appear every year, smaller, lighter and more universal. So with EZ WARE you have a place to put them!
4. It cost a shop working at \$58.00/ hour with payroll taxes and other perks \$1.00/ minute to look for a 32 cent screw!
5. Please compare your hardware system to what EZ WARE offers you.
6. EZ WARE remains "Mean and Lean"! This system is the most modern and efficient hardware system available.

EZ WARE takes care of your hardware for the next 10 years!
